DIVISION OF HOSPITAL MEDICINE GRAND ROUNDS (MGR11071)
DEPARTMENT OF MEDICINE, UNIVERSITY OF CALIFORNIA, SAN FRANCISCO

July 13, 2010
Tuesday, 4:00 P.M. - 5:00 P.M.
505 Parnassus Avenue - 12th Floor Room 1296

Hospital Medicine Update

Brad Sharpe, MD
Associate Professor of Medicine, Division of Hospital Medicine
University of California, San Francisco

Learning Objectives:
1) State the utility of d-dimer testing in the evaluation of suspected aortic dissection.
2) State the incidence of clinically relevant incidental findings on CT scans for pulmonary embolism.

What’s New in Hepatocellular Carcinoma

Oren Fix, MD
Assistant Clinical Professor, Department of GI Transplant Hepatology
University of California, San Francisco

Learning Objectives:
1. Understand updated concepts in the epidemiology, surveillance, diagnosis and treatment of hepatocellular carcinoma (HCC)
2. Understand how transplant selection criteria are evolving, including the concepts of expanded criteria and down-staging
3. Understand the importance of early referral and a multidisciplinary approach in the management of HCC

Accreditation
The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this educational activity for a maximum of 1 credit toward the AMA PRA Category 1 Credit(s)™. Physicians should only claim credits commensurate with their participation in the activity.

Faculty Relationship Disclosure
Drs. Sharpe and Fix have disclosed that they (or spouse/partner) does not have a personal financial relationship in the last 12 months with the manufacturer of products or services discussed in this presentation.

Commercial Support Disclosure
No commercial support was received for these Grand Rounds.

You must sign in to qualify for CME credit.
